

# Hose Reels for Grease

## TRUE BLUE Grease Reels

- Hose Reels Better by Design!
- Steel stamped guide arm is reinforced to reduce bending due to angular pull.
- Adjustable guide arm allows multiple guide arm positions and easy field adjustments.
- Corrosion-Resistant steel components are individually powder coated.
- Long Life Drive Spring. Decutching arbor virtually eliminates possibility of spring damage due to reverse winding of reel spool.
- Structural Strength. Welded heavy gauge steel frame includes dramatically flanged edges and stiffening ribs for lighter weight, yet stronger components for ease of handling and installation.

No 18058 050

Part No.	Hose Length	Diameter Overall	Width	Hose Diameter
No 18 050 098	Reel Only	15"	6"	
No 18 050 099	Reel Only	21"	7"	
No 18 050 030	30 ft.	15"	6"	3/8"
No 18 050 050	50 ft.	21"	7"	3/8"
No 18 058 030	30 ft.	15"	6"	1/4"

## Value Reels for Grease

- Designed for less demanding applications
- Made in USA
- Heavy gauge steel parts with re-enforced ribs to increase strength.
- Industrial grade drive spring, protected in reel drum.
- Hose retracts every time, latch mechanism is mounted on guide arm to eliminate latch-out at full extension.
- Long lasting latch spring, stainless steel torsion spring is used on the latch to insure maximum life.
- Field tested swivel assures long service life.
- All steel components are powder coated
- Versatile mounting.
